HOUSTON, TEXAS – June, 2005 - Enterprise Systems Corporation announced today that a Nortel CS1000B will be deployed for Clear Creek Independent School District. A total of 105 IP Instruments are to be installed with a mix of IP Phone 2002 and IP Phone 2004. The CS1000B will network with the main CS1000M Multi Group switch. Additionally, Nortel Baystack PoE switches and Aruba Wireless systems are to be installed. Enterprise Systems was chosen due to extensive experience with Nortel voice and data systems.

ABOUT ENTERPRISE SYSTEMS CORPORATION

Houston, Texas Based Enterprise Systems Corporation services and supports Nortel voice and data solutions including Meridian 1, Succession, CS1000, CallPilot, Symposium, Meridian Mail, Norstar and BCM. Competencies include TDM circuit switched telephony, VoIP and wireless engineering and deployment.

ABOUT CLEAR CREEK ISD

The Clear Creek Independent School District was formed in Texas in 1948 through the consolidation of the schools in League City, Seabrook, Webster and Kemah. The District also includes parts of Dickinson, Friendswood, Houston and Pasadena. Clear Creek ISD is now the 28th largest of the 1,061 school districts in Texas. The District employs approximately 3,440 persons.
