HOUSTON, TEXAS – October, 2004 - Enterprise Systems Corporation announced today that a Nortel Networks Business Communications Manager (BCM) has been selected for Manheim's Fredericksburg Night Sale facility in Fredericksburg, Virginia. The deployment will be the BCM 200 platform with Unified Messaging.
ABOUT ENTERPRISE SYSTEMS CORPORATION

Houston, Texas Based Enterprise Systems Corporation services and supports Nortel Networks voice and data solutions including Meridian 1, Succession, CallPilot, Symposium, Meridian Mail, Norstar and BCM. Competencies include TDM circuit switched telephony, VoIP and wireless engineering and deployment.

ABOUT Manhiem Auto Auctions

Manheim Auctions is the largest and highest volume wholesale automobile auction company in the world. As the industry leader, the company operates more than 115 auction facilities worldwide, and employs more than 35,000 people. Manheim remarkets vehicles for wholesale consignors. These sellers include car dealers, manufacturers, rental car operators, fleet/lease companies and financial institutions. The buyers of the vehicles are licensed franchise and independent auto dealers.
