HOUSTON, TEXAS – November, 2003 - Enterprise Systems Corporation announced today that work has begun on deploying a Nortel Networks Hospitality Solution for Guadalupe River Ranch in Boerne, Texas. The deployment involves the installation of a complete Fiber backbone between the facility's campus buildings and installation of a 150 port Meridian 1 Option 11C with Meridian Mail Hospitality Voice Services. The solution is in partnership with Velocity Networking Services of San Antonio. "In partnership with Velocity, we were able to offer the Ranch a complete end-to-end solution for voice and data that will allow broadband services while also providing investment protection well into the future" said Rodney Hyde, President of Enterprise Systems.
