HOUSTON, TEXAS – September, 2011 – It was announced that Enterprise Systems has signed a Business Partner Agreement with Mitel of Ottawa, Ontario Canada. Enterprise Systems will begin immediate distribution of Mitel's complete line of small, medium and enterprise unified communications solutions.

"We are excited to add Mitel's line of products to our portfolio of solutions for our end customers." remarked Rodney Hyde, President. "Mitel has long had a niche in the Hospitality vertical that will fit well with our product offering. Mitel's VMWare driven MCD solution is also compelling considering the move to virtualized environments in the corporate space. We feel Mitel provides a lot of value for the investment that will be attractive in today's economy."
